

Make a Centipede Dragon!

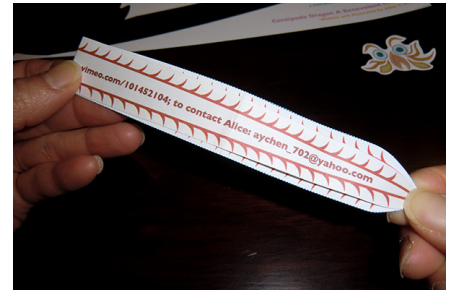

Step-by-step instructions for the Centipede Dragon accordion bookmark.

1. Cut out body.

2. Cut out head.

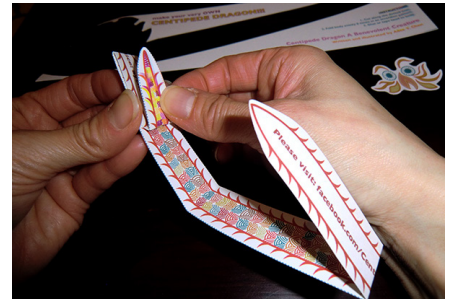

3. Fold body in half, with backside facing up.

4. Open back up. Make 2nd fold by folding one end toward 1st fold.

5. Make 3rd fold by folding other end toward 1st fold.

6. Take one end and fold back to 2nd fold made in step 4.

7. Take other end and fold back to 3rd fold made in step 5.

8. Fold remaining sections in between 1st and 2nd fold, and 1st and 3rd folds.

9. Folds should be alternating in direction to form an accordion.

10. Head and tail sections should face down when scale-side is up.

11. Use double-sided tape to attach the head.

12. Place a small piece of tape to upper edge of back side of head, in between eyebrows.

13. Attach head to wider end of body.

14. Here is your finished Centipede Dragon!

15. Here is Centipede Dragon's underbelly!
